

Cim-“COOL” Products

MILPRO Hydraulic Oils These products are premium grade hydraulic oils designed to transmit power, provide lubrication, and protect gear systems. MILPRO hydraulic oils are formulated to pass Milacron specifications and industry guidelines for hydraulic oil applications.

MILPRO WAY Oils are clear colored lubricating oils designed to reduce friction and “stick-slip” on machine tool slide-ways. They provide a uniform oil film that insures smooth table motion even after extended shutdowns. MILPRO WAY Lubricants are fortified with extreme pressure and tackiness additives to reduce metal-to-metal wear. These way oils provide trouble-free lubrication on all plain bearing slide-ways regardless of table load or way speed.

CIMCLEAN® MC-Multi Kleen: A very effective maintenance, general shop cleaner (mop, bucket, wipe down) that is economical and can be used in walk behind floor cleaners.

- **Multi-Surface Safe** – Ferrous and non-ferrous metals, concrete floors, epoxy painted surfaces.
- **Quick-to-Dry** – Leaves surfaces clean and floor surfaces, in particular, with good traction.
- **Pine Scent** – Pleasant to use.
