Duties Include:

- Accurately fulfilling orders with a sense of urgency in a fast-paced environment.
- Promoting excellent customer service by responding to customer needs consistent with Mars Supply standards.
- Demonstrating a commitment to a clean and safe working environment.
- Working cooperatively with other team members and supervisors.

Requirements and Qualifications:

- High school diploma
- Solid warehouse experience of a year or more
- Forklift certification is a plus
- Valid driver's license
- Ability to lift up to 75 pounds
- Basic computer skills related to warehouse processes
- Excellent math and communication skills
- Experience with handheld scanners
